# ALLE REDEN VOM WETTER

Gegen Wetter ist kein Kraut gewachsen und kein Chip erfunden – aber das mobile Dach über dem Kopf: der Schirm – seit fünftausend Jahren in seiner Grundkonstruktion nahezu unverändert und unentbehrlich.

Neben seinem Gebrauchswert ist der Schirm die Jahrhunderte hindurch bis heute für seine Benutzer „CI“, Symbol- und Designwelt, seine Fahne, sein Kommunikationssignal.

Das Wetter ist das Thema Nummer eins, die meist verbreitete Information in Presse, Funk und TV, täglich, halbstündlich - der bedeutendste Kommunikationsfaktor überhaupt. Alle reden vom Wetter - GREF-Schirme fördert Markenwerbung durch Wetter mit: Stock-, Golf-, Gäste- und Mini-Taschenschirmen als Twinmatic oder Ultralight – unübertroffen innovativ und qualitätsgeprüft.

**GREF-Schirme macht Marken mobil**

## Everybody's talking about the weather

There is no remedy for the weather and no chip – only the mobile roof over one's head: the umbrella – for five thousand years essentially unchanged in its basic construction, and indispensable.

Through the centuries up until the present day, the umbrella has been, in addition to its practical value, its user's "CI", world of symbol and design, his flag, his communication signal.

The weather is the number one topic, the most wide-spread information in the press, radio and TV, daily, every half-hour - the most important communication factor there is. Everybody talks about the weather - GREF-Schirme promotes name-brand advertising through the weather, with walking-length and golfing umbrellas, guest and collapsible umbrellas (Twinmatic or Ultralight) – unsurpassed in innovation and quality control.

**GREF-Schirme makes brand-names mobile**
